-----Bonus Actions-----

Eerie Token. As a bonus action, you can harmlessly remove a lock of your hair, one of your nails, or one of your teeth. This token is imbued with magic until you finish a long rest. While the token is imbued in this way, you can take these actions:

Telepathic Message. As an action, you can send a telepathic message to the creature holding or carrying the token, as long as you are within 10 miles of it. The message can contain up to twenty-five words.

Remote Viewing. If you are within 10 miles of the token, you can enter a trance as an action. The trance lasts for 1 minute, but it ends early if you dismiss it (no action required) or are incapacitated. During this trance, you can see and hear from the token as if you were located where it is. While you are using your senses at the token's location, you are blinded and deafened in regard to your own surroundings. When the trance ends, the token is harmlessly destroyed.

Once you create a token using this feature, you can't do so again until you finish a long rest, at which point your missing part regrows.

-----Other Traits-----

City Secrets. You know the secret patterns and flow to cities and can find passages through the urban sprawl that others would miss. When you are not in combat, you (and companions you lead) can travel between any two locations in the city twice as fast as your speed would normally allow. .

Equipment. You possess a map of the city you grew up in, a pet mouse, and a token to remember your parents by. Enter these manually as custom items.

Tides of Chaos. Starting at 1st level, you can manipulate the forces of chance and chaos to gain advantage on one attack roll, ability check, or saving throw. Once you do so, you must finish a long rest before you can use this feature again. Anytime before you regain the use of this feature, the DM can have you roll on the Wild Magic Surge table immediately after you cast a sorcerer spell of 1st level or higher. You then regain the use of this feature.

Wild Magic Surge. Starting when you choose this origin at 1st level, your spellcasting can unleash surges of untamed magic. Immediately after you cast a sorcerer spell of 1st level or higher, the DM can have you roll a d20. If you roll a 1, roll on the Wild Magic Surge table to create a random magical effect.

Frostbite Sorcerer Cantrip Evocation DC 13 Spell Mod +5     You cause numbing frost to form on one creature that you can see within range. The target must make a Constitution saving throw. On a failed save, the target takes 1d6 cold damage, and it has disadvantage on the next weapon attack roll it makes before the end of its next turn. The spell's damage increases by 1d6 when you reach 5th level (2d6), 11th level (3d6), and 17th level (4d6).	Lightning Lure Sorcerer Cantrip Evocation DC 13 Spell Mod +5     You create a lash of lightning energy that strikes at one creature of your choice that you can see within range. The target must succeed on a Strength saving throw or be pulled up to 10 feet in a straight line toward you and then take 1d8 lightning damage if it is within 5 feet of you. This spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).	Mage Hand Sorcerer Cantrip Conjuration DC 13 Spell Mod +5     A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again. You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.
Message Sorcerer Cantrip Transmutation DC 13 Spell Mod +5     A short piece of copper wire You point your finger toward a creature within range and whisper a message. The target (and only the target) hears the message and can reply in a whisper that only you can hear. You can cast this spell through solid objects if you are familiar with the target and know it is beyond the barrier. Magical silence, 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood blocks the spell. The spell doesn't have to follow a straight line and can travel freely around corners or through openings.	Disguise Self Hexblood Level 1 Illusion DC 13 Spell Mod +5     You make yourself—including your clothing, armor, weapons, and other belongings on your person look different until the spell ends or until you use your action to dismiss it. You can seem 1 foot shorter or taller and can appear thin, fat, or in between. You can't change your body type, so you must adopt a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you. The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. If you use this spell to appear thinner than you are, the hand of someone who reaches out to touch you would bump into you while it was seemingly still in midair. To discern that you are	Hex Hexblood Level 1 Enchantment DC 13 Spell Mod +5     The petrified eye of a newt You place a curse on a creature that you can see within range. Until the spell ends, you deal an extra 1d6 necrotic damage to the target whenever you hit it with an attack. Also, choose one ability when you cast the spell. The target has disadvantage on ability checks made with the chosen ability. If the target drops to 0 hit points before this spell ends, you can use a bonus action on a turn of yours to curse a new creature. A remove curse cast on the target ends this spell early. At Higher Levels: When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.
Chromatic Orb Sorcerer Level 1 Evocation DC 13 Spell Mod +5     A diamond worth at least 50gp You hurl a 4-inch-diameter sphere of energy at a creature that you can see within range. You choose acid, cold, fire, lightning, poison, or thunder for the type of orb you create, and then make a ranged spell attack against the target. If the attack hits, the creature takes 3d8 damage of the type you chose. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.	Magic Missile Sorcerer Level 1 Evocation DC 13 Spell Mod +5     You create three glowing darts of magical force. Each dart hits a creature of your choice that you can see within range. A dart deals 1d4 + 1 force damage to its target. The darts all strike simultaneously, and you can direct them to hit one creature or several. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the spell creates one more dart for each slot level above 1st.	

	 Disguise Self <i>(reverse)</i> disguised, a creature can use its action to inspect your appearance and must succeed on an Intelligence (Investigation) check against your spell save DC.
