CHARACTER BACKSTORY

Born in the hidden groves of Bandlewood, I'm a yordle with a nose for mushrooms and a knack for getting into places I shouldn't. Demacia's mountains called to me—not for glory, but for the promise of undiscovered fungi and the coveted Fungal Identification badge. To fit in, I use glamour to appear as an unremarkable gnome, blending into the regimented ranks of the Demacian military.

Military life is a puzzle: rules against magic seem backwards, but I've learned to disguise my druidic gifts as alchemy—herbal salves, glowing spores hidden as "rare moss," and a talent for keeping spirits high with a well-timed joke or a flash of cuteness. I'm proud of besting a bully in training (height jokes get old fast), and I've made it my mission to find the legendary rock-mimic mushroom before my deployment ends.

I keep to myself, studying mushrooms in every spare moment, but I'll always step up for a friend—especially if they're hiding something, too. Justice matters more than duty; I'd rather help those in trouble than blindly follow orders. I fear being discovered before I finish my quest, but I'm determined to earn my badge, make Captain T proud, and maybe teach Demacia a thing or two about whimsy along the way.

FEATURES & TRAITS

Darkvision: 60 ft.

-----Actions-----

Wild Shape. You can transform into a beast you have seen with CR 1/4 and no flying or swimming speed (lasts 1 hour, use twice/rest).

-----Other Traits-----

Druidic. You can speak Druidic and use it to leave hidden message and automatically spot messages left by others.

Equipment. You possess a staff and a trophy from an animal you killed. Enter these manually as custom items.

Gnome Cunning. Advantage on INT, WIS, and CHA saves against magic.

Halo of Spores. Starting at 2nd level, you are surrounded by invisible, necrotic spores that are harmless until you unleash the on a creature nearby. When a creature you can see moves into a space within 10 feet of you or starts its turn there, you can use your reaction to deal 1d4 necrotic damage to that creature unless it succeeds on a Constitution saving throw against your spell save DC. The necrotic damage increases to 1d6 at 6th level, 1d8 at 10th level, and 1d10 at 14th level.

Natural Illusionist. You know the minor illusion cantrip. Intelligence is your spellcasting ability for it.

Speak with Small Beasts. Through sounds and gestures, you can communicate simple ideas with Small or smaller beasts. Forest gnomes love animals and often keep squirrels, badgers, rabbits, moles, woodpeckers, and other creatures as beloved pets.

Symbiotic Entity. At 2nd level, you gain the ability to channel magic into your spores. As an action, you can expend a use of your Wild Shape feature to awaken those spores, rather than transforming into a beast form, and you gain 5 temporary hit points for each level you have in this class. While this feature is active, you gain the following benefits:

- When you deal your Halo of Spores damage, roll the damage die a second time and add it to the total.
- Your melee weapon attacks deal an extra 1d6 poison damage to any target they hit.

These benefits last for 10 minutes, until you lose all these temporary hit points, or until you use your Wild Shape again.

Wanderer. You have an excellent memory for maps and geography, and you can always recall the general layout of terrain, settlements, and other features around you. In addition, you can find food and fresh water for yourself and up to five other people each day, provided that the land offers berries, small game, water, and so forth. .

Chill Touch Druid Cantrip Necromancy DC 12 Spell Mod +4 1 Act. 120 ft V,S 1 Rnd You create a ghostly, skeletal hand in the space of a creature within range. Make a ranged spell attack against the creature to assail it with the chill of the grave. On a hit, the target takes 1d8 necrotic damage, and it can't regain hit points until the start of your next turn. Until then, the hand clings to the target. If you hit an undead target, it also has disadvantage on attack rolls against you until the end of your next turn. This spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).	Guidance Druid Cantrip Divination DC 12 Spell Mod +4 1 Act. Touch V,S Conc, 1 min You touch one willing creature. Once before the spell ends, the target can roll a d4 and add the number rolled to one ability check of its choice. It can roll the die before or after making the ability check. The spell then ends.	Shillelagh Druid Cantrip Transmutation DC 12 Spell Mod +4 1 B.A. Touch V,S,M 1 min Mistletoe, a shamrock leaf, and a club or quarterstaff The wood of a club or quarterstaff you are holding is imbued with nature's power. For the duration, you can use your spellcasting ability instead of Strength for the attack and damage rolls of melee attacks using that weapon, and the weapon's damage die becomes a d8. The weapon also becomes magical, if it isn't already. The spell ends if you cast it again or if you let go of the weapon.
Minor Illusion Forest Gnome Cantrip Illusion DC 11 Spell Mod +3 1 Act. 30 ft S,M 1 min A bit of fleece You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast this spell again. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends. If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot cube. The image can't create sound, light, smell, or any other sensory effect. Physical interaction with the image reveals it to be an illusion, because things can pass through it. If a creature uses its action to examine the sound or image, the creature can determine that it is	Absorb Elements Druid Level 1 Abjuration DC 12 Spell Mod +4 1 reAct. Self S 1 Rnd The spell captures some of the incoming energy, lessening its effect on you and storing it for your next melee attack. You have resistance to the triggering damage type until the start of your next turn. Also, the first time you hit with a melee attack on your next turn, the target takes an extra 1d6 damage of the triggering type, and the spell ends. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the extra damage increases by 1d6 for each slot level above 1st.	Animal Friendship Druid Level 1 Enchantment DC 12 Spell Mod +4 1 Act. 30 ft V,S,M 24 hrs A morsel of food This spell lets you convince a beast that you mean it no harm. Choose a beast that you can see within range. It must see and hear you. If the beast's Intelligence is 4 or higher, the spell fails. Otherwise, the beast must succeed on a Wisdom saving throw or be charmed by you for the spell's duration. If you or one of your companions harms the target, the spell ends. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional beast for each slot level above 1st.
Beast Bond Druid Level 1 Divination DC 12 Spell Mod +4 1 Act. Touch V,S,M Conc, 10 mins A bit of fur wrapped in a cloth You establish a telepathic link with one beast you touch that is friendly to you or charmed by you. The spell fails if the beast's Intelligence is 4 or higher. Until the spell ends, the link is active while you and the beast are within line of sight of each other. Through the link, the beast can understand your telepathic messages to it, and it can telepathically communicate simple emotions and concepts back to you. While the link is active, the beast gains advantage on attack rolls against any creature within 5 feet of you that you can see.	Chaos Bolt (Izzet) Druid Level 1 Evocation DC 12 Spell Mod +4 1 Act. 120 ft V,S Inst You hurl an undulating, warbling mass of chaotic energy at one creature in range. Make a ranged spell attack against the target. On a hit, the target takes 2d8 + 1d6 damage. Choose one of the d8s. The number rolled on that die determines the attack's damage type, as shown below. 1 Acid 2 Cold 3 Fire 4 Force 5 Lightning 6 Poison 7 Psychic 8 Thunder If you roll the same number on both d8s, the chaotic energy leaps from the target to a different creature of your choice within 30 feet of it. Make a new attack roll against the new target, and make a new damage roll, which could cause the chaotic energy to leap again. A creature can be targeted only once by this casting of the spell. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, each target takes 1d6 extra damage of the type rolled for each slot level	Charm Person Druid Level 1 Enchantment DC 12 Spell Mod +4 1 Act. 30 ft V,S 1 hr You attempt to charm a humanoid you can see within range. It must make a Wisdom saving throw, and does so with advantage if you or your companions are fighting it. If it fails the saving throw, it is charmed by you until the spell ends or until you or your companions do anything harmful to it. The charmed creature regards you as a friendly acquaintance. When the spell ends, the creature knows it was charmed by you. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

		Minor Illusion <i>(reverse)</i> an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the illusion becomes faint to the creature.
	Chaos Bolt (Izzet) <i>(reverse)</i> above 1st	

Create or Destroy Water  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act. 30 ft V,S,M Inst <i>A drop of water if creating water or a few grains of sand if destroying it</i> You either create or destroy water. Create Water. You create up to 10 gallons of clean water within range in an open container. Alternatively, the water falls as rain in a 30-foot cube within range, extinguishing exposed flames in the area. Destroy Water. You destroy up to 10 gallons of water in an open container within range. Alternatively, you destroy fog in a 30-foot cube within range. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you create or destroy 10 additional gallons of water, or the size of the cube increases by 5 feet, for each slot level above 1st.	Cure Wounds  Druid Level 1 Evocation DC 12 Spell Mod +4 1 Act. Touch V,S Inst A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.	Detect Magic (ritual)  Druid Level 1 Divination DC 12 Spell Mod +4 1 Act. Self V,S Conc, 10 mins For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.
Detect Poison and Disease (ritual)  Druid Level 1 Divination DC 12 Spell Mod +4 1 Act. Self V,S,M Conc, 10 mins <i>A yew leaf</i> For the duration, you can sense the presence and location of poisons, poisonous creatures, and diseases within 30 feet of you. You also identify the kind of poison, poisonous creature, or disease in each case. The spell can penetrate most barriers, but it is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.	Earth Tremor  Druid Level 1 Evocation DC 12 Spell Mod +4 1 Act. 10 ft V,S Inst You cause a tremor in the ground within range. Each creature other than you in that area must make a Dexterity saving throw. On a failed save, a creature takes 1d6 bludgeoning damage and is knocked prone. If the ground in that area is loose earth or stone, it becomes difficult terrain until cleared, with each 5-foot-diameter portion requiring at least 1 minute to clear by hand. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.	Entangle  Druid Level 1 Conjuraction DC 12 Spell Mod +4 1 Act. 90 ft V,S Conc, 1 min Grasping weeds and vines sprout from the ground in a 20-foot square starting from a point within range. For the duration, these plants turn the ground in the area into difficult terrain. A creature in the area when you cast the spell must succeed on a Strength saving throw or be restrained by the entangling plants until the spell ends. A creature restrained by the plants can use its action to make a Strength check against your spell save DC. On a success, it frees itself. When the spell ends, the conjured plants wilt away.
Faerie Fire  Druid Level 1 Evocation DC 12 Spell Mod +4 1 Act. 60 ft V Conc, 1 min Each object in a 20-foot cube within range is outlined in blue, green, or violet light (your choice). Any creature in the area when the spell is cast is also outlined in light if it fails a Dexterity saving throw. For the duration, objects and affected creatures shed dim light in a 10-foot radius. Any attack roll against an affected creature or object has advantage if the attacker can see it, and the affected creature or object can't benefit from being invisible.	Fog Cloud  Druid Level 1 Conjuraction DC 12 Spell Mod +4 1 Act. 120 ft V,S Conc, 1 hr You create a 20-foot-radius sphere of fog centered on a point within range. The sphere spreads around corners, and its area is heavily obscured. It lasts for the duration or until a wind of moderate or greater speed (at least 10 miles per hour) disperses it. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the radius of the fog increases by 20 feet for each slot level above 1st.	Gift of Alacrity (Dunamancy)  Druid Level 1 Divination DC 12 Spell Mod +4 1 min Touch V,S 8 hrs You touch a willing creature. For the duration, the target can add 1d8 to its initiative rolls.

Goodberry  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act.  Touch  V,S,M  Inst <i>A sprig of mistletoe</i> Up to ten berries appear in your hand and are infused with magic for the duration. A creature can use its action to eat one berry. Eating a berry restores 1 hit point, and the berry provides enough nourishment to sustain a creature for one day. The berries lose their potency if they have not been consumed within 24 hours of the casting of this spell.	Healing Word  Druid Level 1 Evocation DC 12 Spell Mod +4 1 B.A.  60 ft  V  Inst A creature of your choice that you can see within range regains hit points equal to 1d4 + your spellcasting ability modifier. This spell has no effect on undead or constructs. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d4 for each slot level above 1st.	Ice Knife  Druid Level 1 Conjuration DC 12 Spell Mod +4 1 Act.  60 ft  S,M  Inst <i>A drop of water or piece of ice</i> You create a shard of ice and fling it at one creature within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 piercing damage. Hit or miss, the shard then explodes. The target and each creature within 5 feet of it must succeed on a Dexterity saving throw or take 2d6 cold damage. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the cold damage increases by 1d6 for each slot level above 1st.
Jump  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act.  Touch  V,S,M  1 min <i>A grasshopper's hind leg</i> You touch a creature. The creature's jump distance is tripled until the spell ends.	Longstrider  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act.  Touch  V,S,M  1 hr <i>A pinch of dirt</i> You touch a creature. The target's speed increases by 10 feet until the spell ends. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.	Magnify Gravity (Dunamancy)  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act.  60 ft  V,S  1 Rnd The gravity in a 10-foot-radius sphere centered on a point you can see within range increases for a moment. Each creature in the sphere on the turn when you cast the spell must make a Constitution saving throw. On a failed save, a creature takes 2d8 force damage, and its speed is halved until the end of its next turn. On a successful save, a creature takes half as much damage and suffers no reduction to its speed. Until the start of your next turn, any object that isn't being worn or carried in the sphere requires a successful Strength check against your spell save DC to pick up or move. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.
Purify Food and Drink (ritual)  Druid Level 1 Transmutation DC 12 Spell Mod +4 1 Act.  10 ft  V,S  Inst All nonmagical food and drink within a 5-foot-radius sphere centered on a point of your choice within range is purified and rendered free of poison and disease.	Snare  Druid Level 1 Abjuration DC 12 Spell Mod +4 1 min  Touch  S,M  8 hrs <i>25 feet of rope, which the spell consumes</i> As you cast this spell, you use the rope to create a circle with a 5-foot radius on the ground or the floor. When you finish casting, the rope disappears and the circle becomes a magic trap. This trap is nearly invisible, requiring a successful Intelligence (Investigation) check against your spell save DC to be discerned. The trap triggers when a Small, Medium, or Large creature moves onto the ground or the floor in the spell's radius. That creature must succeed on a Dexterity saving throw or be magically hoisted into the air, leaving it hanging upside down 3 feet above the ground or the floor. The creature is restrained there until the spell ends. A restrained creature can make a Dexterity saving throw at the end of each of its turns, ending the effect on itself on a success. Alternatively, the creature or someone else	Speak with Animals (ritual)  Druid Level 1 Divination DC 12 Spell Mod +4 1 Act.  Self  V,S  10 mins You gain the ability to comprehend and verbally communicate with beasts for the duration. The knowledge and awareness of many beasts is limited by their intelligence, but at minimum, beasts can give you information about nearby locations and monsters, including whatever they can perceive or have perceived within the past day. You might be able to persuade a beast to perform a small favor for you, at the GM's discretion.

	Snare (reverse) who can reach it can use an action to make an Intelligence (Arcana) check against your spell save DC. On a success, the restrained effect ends. After the trap is triggered, the spell ends when no creature is restrained by it.	

Thunderwave Druid Level 1 Evocation DC 12 Spell Mod +4     A wave of thunderous force sweeps out from you. Each creature in a 15-foot cube originating from you must make a Constitution saving throw. On a failed save, a creature takes 2d8 thunder damage and is pushed 10 feet away from you. On a successful save, the creature takes half as much damage and isn't pushed. In addition, unsecured objects that are completely within the area of effect are automatically pushed 10 feet away from you by the spell's effect, and the spell emits a thunderous boom audible out to 300 feet. At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.	Animal Messenger (ritual) Druid Level 2 Enchantment DC 12 Spell Mod +4     A morsel of food By means of this spell, you use an animal to deliver a message. Choose a Tiny beast you can see within range, such as a squirrel, a blue jay, or a bat. You specify a location, which you must have visited, and a recipient who matches a general description, such as "a man or woman dressed in the uniform of the town guard" or "a red-haired dwarf wearing a pointed hat." You also speak a message of up to twenty-five words. The target beast travels for the duration of the spell toward the specified location, covering about 50 miles per 24 hours for a flying messenger, or 25 miles for other animals. When the messenger arrives, it delivers your message to the creature that you described, replicating the sound of your voice. The messenger speaks only to a creature matching the description you gave. If the messenger doesn't reach its	Barkskin Druid Level 2 Transmutation DC 12 Spell Mod +4     A handful of oak bark You touch a willing creature. Until the spell ends, the target's skin has a rough, bark-like appearance, and the target's AC can't be less than 16, regardless of what kind of armor it is wearing.
Beast Sense Druid Level 2 Divination DC 12 Spell Mod +4     You touch a willing beast. For the duration of the spell, you can use your action to see through the beast's eyes and hear what it hears, and continue to do so until you use your action to return to your normal senses. While perceiving through the beast's senses, you gain the benefits of any special senses possessed by that creature, though you are blinded and deafened to your own surroundings.	Blindness/Deafness Druid Level 2 Necromancy DC 12 Spell Mod +4     You can blind or deafen a foe. Choose one creature that you can see within range to make a Constitution saving throw. If it fails, the target is either blinded or deafened (your choice) for the duration. At the end of each of its turns, the target can make a Constitution saving throw. On a success, the spell ends. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.	Darkvision Druid Level 2 Transmutation DC 12 Spell Mod +4     Either a pinch of dried carrot or an agate You touch a willing creature to grant it the ability to see in the dark. For the duration, that creature has darkvision out to a range of 60 feet.
Dust Devil Druid Level 2 Conjuration DC 12 Spell Mod +4     A pinch of dust Choose an unoccupied 5-foot cube of air that you can see within range. An elemental force that resembles a dust devil appears in the cube and lasts for the spell's duration. Any creature that ends its turn within 5 feet of the dust devil must make a Strength saving throw. On a failed save, the creature takes 1d8 bludgeoning damage and is pushed 10 feet away. On a successful save, the creature takes half as much damage and isn't pushed. As a bonus action, you can move the dust devil up to 30 feet in any direction. If the dust devil moves over sand, dust, loose dirt, or small gravel, it sucks up the material and forms a 10-foot-radius cloud of debris around itself that lasts until the start of your next turn. The cloud heavily obscures its area. At Higher Levels: When you cast this spell using a spell slot of 3rd level or higher, the damage	Earthbind Druid Level 2 Transmutation DC 12 Spell Mod +4     Choose one creature you can see within range. Yellow strips of magical energy loop around the creature. The target must succeed on a Strength saving throw, or its flying speed (if any) is reduced to 0 feet for the spell's duration. An airborne creature affected by this spell safely descends at 60 feet per round until it reaches the ground or the spell ends.	Enhance Ability Druid Level 2 Transmutation DC 12 Spell Mod +4     Fur or a feather from a beast You touch a creature and bestow upon it a magical enhancement. Choose one of the following effects; the target gains that effect until the spell ends. Bear's Endurance. The target has advantage on Constitution checks. It also gains 2d6 temporary hit points, which are lost when the spell ends. Bull's Strength. The target has advantage on Strength checks, and his or her carrying capacity doubles. Cat's Grace. The target has advantage on Dexterity checks. It also doesn't take damage from falling 20 feet or less if it isn't incapacitated. Eagle's Splendor. The target has advantage on Charisma checks. Fox's Cunning. The target has advantage on Intelligence checks. Owl's Wisdom. The target has advantage on Wisdom checks. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each

	Animal Messenger <i>(reverse)</i> destination before the spell ends, the message is lost, and the beast makes its way back to where you cast this spell. At Higher Levels. If you cast this spell using a spell slot of 3rd level or higher, the duration of the spell increases by 48 hours for each slot level above 2nd.	
Enhance Ability <i>(reverse)</i> slot level above 2nd.		Dust Devil <i>(reverse)</i> increases by 1d8 for each slot level above 2nd.

Find Traps Druid Level 2 Divination DC 12 Spell Mod +4 1 Act. 120 ft V,S Inst You sense the presence of any trap within range that is within line of sight. A trap, for the purpose of this spell, includes anything that would inflict a sudden or unexpected effect you consider harmful or undesirable, which was specifically intended as such by its creator. Thus, the spell would sense an area affected by the alarm spell, a glyph of warding, or a mechanical pit trap, but it would not reveal a natural weakness in the floor, an unstable ceiling, or a hidden sinkhole. This spell merely reveals that a trap is present. You don't learn the location of each trap, but you do learn the general nature of the danger posed by a trap you sense.	Flame Blade Druid Level 2 Evocation DC 12 Spell Mod +4 1 B.A. Self V,S,M Conc, 10 mins <i>Leaf of sumac</i> You evoke a fiery blade in your free hand. The blade is similar in size and shape to a scimitar, and it lasts for the duration. If you let go of the blade, it disappears, but you can evoke the blade again as a bonus action. You can use your action to make a melee spell attack with the fiery blade. On a hit, the target takes 3d6 fire damage. The flaming blade sheds bright light in a 10-foot radius and dim light for an additional 10 feet. At Higher Levels. When you cast this spell using a spell slot of 4th level or higher, the damage increases by 1d6 for every two slot levels above 2nd.	Flaming Sphere Druid Level 2 Conjuration DC 12 Spell Mod +4 1 Act. 60 ft V,S,M Conc, 1 min <i>A bit of tallow, a pinch of brimstone, and a dusting of powdered iron</i> A 5-foot-diameter sphere of fire appears in an unoccupied space of your choice within range and lasts for the duration. Any creature that ends its turn within 5 feet of the sphere must make a Dexterity saving throw. The creature takes 2d6 fire damage on a failed save, or half as much damage on a successful one. As a bonus action, you can move the sphere up to 30 feet. If you ram the sphere into a creature, that creature must make the saving throw against the sphere's damage, and the sphere stops moving this turn. When you move the sphere, you can direct it over barriers up to 5 feet tall and jump it across pits up to 10 feet wide. The sphere ignites flammable objects not being worn or carried, and it sheds bright light in a 20-foot radius and dim light for an additional 20 feet. At Higher Levels. When you cast this spell using a spell slot of 3rd level or
Fortune's Favor (Dunamancy) Druid Level 2 Divination DC 12 Spell Mod +4 1 min 60 ft V,S,M 1 hr <i>A white pearl worth at least 100 gp, which the spell consumes</i> You impart latent luck to yourself or one willing creature you can see within range. When the chosen creature makes an attack roll, an ability check, or a saving throw before the spell ends, it can dismiss this spell on itself to roll an additional d20 and choose which of the d20s to use. Alternatively, when an attack roll is made against the chosen creature, it can dismiss this spell on itself to roll a d20 and choose which of the d20s to use, the one it rolled or the one the attacker rolled. If the original d20 roll has advantage or disadvantage, the creature rolls the additional d20 after advantage or disadvantage has been applied to the original roll. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.	Gentle Repose (ritual) Druid Level 2 Necromancy DC 12 Spell Mod +4 1 Act. Touch V,S,M 10 days <i>A pinch of salt and one copper piece placed on each of the corpse's eyes, which must remain there for the duration</i> You touch a corpse or other remains. For the duration, the target is protected from decay and can't become undead. The spell also effectively extends the time limit on raising the target from the dead, since days spent under the influence of this spell don't count against the time limit of spells such as raise dead.	Gust of Wind Druid Level 2 Evocation DC 12 Spell Mod +4 1 Act. Self V,S,M Conc, 1 min <i>A legume seed</i> A line of strong wind 60 feet long and 10 feet wide blasts from you in a direction you choose for the spell's duration. Each creature that starts its turn in the line must succeed on a Strength saving throw or be pushed 15 feet away from you in a direction following the line. Any creature in the line must spend 2 feet of movement for every 1 foot it moves when moving closer to you. The gust disperses gas or vapor, and it extinguishes candles, torches, and similar unprotected flames in the area. It causes protected flames, such as those of lanterns, to dance wildly and has a 50 percent chance to extinguish them. As a bonus action on each of your turns before the spell ends, you can change the direction in which the line blasts from you.
Healing Spirit Druid Level 2 Conjuration DC 12 Spell Mod +4 1 B.A. 60 ft V,S Conc, 1 min You call forth a nature spirit to soothe the wounded. The intangible spirit appears in a space that is a 5-foot cube you can see within range. The spirit looks like a transparent beast or fey (your choice). Until the spell ends, whenever you or a creature you can see moves into the spirit's space for the first time on a turn or starts its turn there, you can cause the spirit to restore 1d6 hit points to that creature (no action required). The spirit can't heal constructs or undead. As a bonus action on your turn, you can move the spirit up to 30 feet to a space you can see. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the healing increases by 1d6 for each slot level above 2nd.	Heat Metal Druid Level 2 Transmutation DC 12 Spell Mod +4 1 Act. 60 ft V,S,M Conc, 1 min <i>A piece of iron and a flame</i> Choose a manufactured metal object, such as a metal weapon or a suit of heavy or medium metal armor, that you can see within range. You cause the object to glow red-hot. Any creature in physical contact with the object takes 2d8 fire damage when you cast the spell. Until the spell ends, you can use a bonus action on each of your subsequent turns to cause this damage again. If a creature is holding or wearing the object and takes the damage from it, the creature must succeed on a Constitution saving throw or drop the object if it can. If it doesn't drop the object, it has disadvantage on attack rolls and ability checks until the start of your next turn. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d8 for each slot level above 2nd.	Hold Person Druid Level 2 Enchantment DC 12 Spell Mod +4 1 Act. 60 ft V,S,M Conc, 1 min <i>A small, straight piece of iron</i> Choose a humanoid that you can see within range. The target must succeed on a Wisdom saving throw or be paralyzed for the duration. At the end of each of its turns, the target can make another Wisdom saving throw. On a success, the spell ends on the target. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target one additional humanoid for each slot level above 2nd. The humanoids must be within 30 feet of each other when you target them.

Flaming Sphere *(reverse)*
higher, the damage increases by 1d6 for each slot level above 2nd.

Immovable Object (Dunamancy)  Druid Level 2 Transmutation DC 12 Spell Mod +4 1 Act.  Touch  V,S,M  1 hr Gold dust worth at least 25 gp, which the spell consumes You touch an object that weighs no more than 10 pounds and cause it to become magically fixed in place. You and the creatures you designate when you cast this spell can move the object normally. You can also set a password that, when spoken within 5 feet of the object, suppresses this spell for 1 minute. If the object is fixed in the air, it can hold up to 4,000 pounds of weight. More weight causes the object to fall. Otherwise, a creature can use an action to make a Strength check against your spell save DC. On a success, the creature can move the object up to 10 feet. At Higher Levels. If you cast this spell using a spell slot of 4th or 5th level, the DC to move the object increases by 5, it can carry up to 8,000 pounds of weight, and the duration increases to 24 hours. If you cast this spell using a spell slot of 6th level or higher, the DC to move the object 	Lesser Restoration  Druid Level 2 Abjuration DC 12 Spell Mod +4 1 Act.  Touch  V,S  Inst You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.	Locate Animals or Plants (ritual)  Druid Level 2 Divination DC 12 Spell Mod +4 1 Act.  Self  V,S,M  Inst A bit of fur from a bloodhound Describe or name a specific kind of beast or plant. Concentrating on the voice of nature in your surroundings, you learn the direction and distance to the closest creature or plant of that kind within 5 miles, if any are present.
Locate Object  Druid Level 2 Divination DC 12 Spell Mod +4 1 Act.  Self  V,S,M  Conc, 10 mins A forked twig Describe or name an object that is familiar to you. You sense the direction to the object's location, as long as that object is within 1,000 feet of you. If the object is in motion, you know the direction of its movement. The spell can locate a specific object known to you, as long as you have seen it up close—within 30 feet—at least once. Alternatively, the spell can locate the nearest object of a particular kind, such as a certain kind of apparel, jewelry, furniture, tool, or weapon. This spell can't locate an object if any thickness of lead, even a thin sheet, blocks a direct path between you and the object.	Moonbeam  Druid Level 2 Evocation DC 12 Spell Mod +4 1 Act. 120 ft  V,S,M  Conc, 1 min Several seeds of any moonseed plant and a piece of opalescent feldspar A silvery beam of pale light shines down in a 5-foot radius, 40-foot-high cylinder centered on a point within range. Until the spell ends, dim light fills the cylinder. When a creature enters the spell's area for the first time on a turn or starts its turn there, it is engulfed in ghostly flames that cause searing pain, and it must make a Constitution saving throw. It takes 2d10 radiant damage on a failed save, or half as much damage on a successful one. A shapechanger makes its saving throw with disadvantage. If it fails, it also instantly reverts to its original form and can't assume a different form until it leaves the spell's light. On each of your turns after you cast this spell, you can use an action to move the beam 60 feet in any direction. At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d10 for 	Pass without Trace  Druid Level 2 Abjuration DC 12 Spell Mod +4 1 Act.  Self  V,S,M  Conc, 1 hr Ashes from a burned leaf of mistletoe and a sprig of spruce A veil of shadows and silence radiates from you, masking you and your companions from detection. For the duration, each creature you choose within 30 feet of you (including you) has a +10 bonus to Dexterity (Stealth) checks and can't be tracked except by magical means. A creature that receives this bonus leaves behind no tracks or other traces of its passage.
Protection from Poison  Druid Level 2 Abjuration DC 12 Spell Mod +4 1 Act.  Touch  V,S  1 hr You touch a creature. If it is poisoned, you neutralize the poison. If more than one poison afflicts the target, you neutralize one poison that you know is present, or you neutralize one at random. For the duration, the target has advantage on saving throws against being poisoned, and it has resistance to poison damage.	Skywrite  Druid Level 2 Transmutation DC 12 Spell Mod +4 1 Act.  (ritual)  V,S  Conc, 1 hr You cause up to ten words to form in a part of the sky you can see. The words appear to be made of cloud and remain in place for the spell's duration. The words dissipate when the spell ends. A strong wind can disperse the clouds and end the spell early.	Spike Growth  Druid Level 2 Transmutation DC 12 Spell Mod +4 1 Act. 150 ft  V,S,M  Conc, 10 mins Seven sharp thorns or seven small twigs, each sharpened to a point The ground in a 20-foot radius centered on a point within range twists and sprouts hard spikes and thorns. The area becomes difficult terrain for the duration. When a creature moves into or within the area, it takes 2d4 piercing damage for every 5 feet it travels. The transformation of the ground is camouflaged to look natural. Any creature that can't see the area at the time the spell is cast must make a Wisdom (Perception) check against your spell save DC to recognize the terrain as hazardous before entering it.

		Immovable Object (Dunamancy) <i>(reverse)</i> increases by 10, it can carry up to 20,000 pounds of weight, and the effect is permanent until dispelled.
	Moonbeam <i>(reverse)</i> each slot level above 2nd.	

1 Act. **Self** **V** **Conc, 10 mins**

A strong wind (20 miles per hour) blows around you in a 10-foot radius and moves with you, remaining centered on you. The wind lasts for the spell's duration. The wind has the following effects: • It deafens you and other creatures in its area. • It extinguishes unprotected flames in its area that are torch-sized or smaller. • It hedges out vapor, gas, and fog that can be dispersed by strong wind. • The area is difficult terrain for creatures other than you. • The attack rolls of ranged weapon attacks have disadvantage if the attacks pass in or out of the wind.

1 Act. Self S Conc, 1 hr

You flick your wrist, causing one object in your hand to vanish. The object, which only you can be holding and can weigh no more than 5 pounds, is transported to an extradimensional space, where it remains for the duration. Until the spell ends, you can use your action to summon the object to your free hand, and you can use your action to return the object to the extradimensional space. An object still in the pocket plane when the spell ends appears in your space, at your feet.
